

These plaques mark the spot where some historic buildings of yesterday once stood. The plaques are complete with photos and information.

Start at number one on Broadbent Street at the primary school...but really, you can follow the trail from any starting point.

VISIT THESE PLACES TOO

- Pop into the Beacon Visitors Centre located next to the town hall on Rowlands Street for some maps and information.
- Stroll through the BOTANICAL PARK located behind the Primary School, the entrance is off Broadbent Street.
- Wander through the restored farm machinery at the Beacon Mens Shed. Stop and have a chat or offer the men a hand.

Go for a walk at night along Lucas street, and see the solar lights showcase our beautiful and natural environment.

The Beacon Walking Trail is a proud initiative of Beacon Progress Association volunteers.

Beacon Historic Walking Trail

While you are in Beacon, why not learn a little more about the pioneer settlement of the town? Take a walk around the new historic walking trail and learn more about the history of Beacon, a typical small wheatbelt town with a rich history.

A total of 2kms walk will take you approximately 1hr at a leisurely pace.

There are ten information signs positioned along the trail.

Beacon Historic Trail Walking Map
